ABOUT THE SCHOOL...

Suguna International School started in the year 2013, has distinguished itself with a distinction in the field of education and is one of the renowned CBSE schools in the city.

The school is run by Suguna Charitable Trust. It is promoted by the Suguna group, a leader in the manufacture of pumps and motors in the country, enjoying strong customer loyalty due to the inimitable standards they set to ensure quality. The group has grown in leaps and bounds under the able stewardship of the late Shri G. Ramaswamy, its visionary Founder and Chairman.

Late Shri Ramaswamy was a legend in his own lifetime. Starting his career as a marketing person, his urge to achieve made him a peerless entrepreneur. In 1958, when electric motors were being imported from the UK and Germany, he started Suguna Industries at Coimbatore to manufacture electric motors. His penchant for quality and focus on customer contentment resulted in rapid growth. Today, Suguna is a well-diversified group with over six manufacturing units which cater to the customers in India and abroad. The group is being led into the next orbit of growth by its Chairman Shri V. Lakshminarayanawamy.

At Suguna, we focus on healthcare and education as part of our Corporate Social Responsibility. We believe that the education is the best way to better our society, and work towards providing quality education. To this effect, the Suguna Charitable Trust was formed in 1973. The Trust's activities include running several educational institutions which function under the guidance of Smt. Suguna Lakshminarayanawamy, President of the group.

Under the trust, Suguna RIP V School, Suguna PIP School, Suguna International School, PIP - the play school, Suguna Engineering College, Suguna Polytechnic and Suguna College of Arts and Science have set new standards in school and college education. The trust also runs Suguna Vidhya Niketan which provides free English medium education and as well as free uniforms and books to the economically poor.

Suguna Kalyana Mandapam meets the varied needs of the community. Leaving not behind the roots of our tradition in the field of medicine, the trust runs Suguna Ayurgram, an ayurvedic hospital to serve the society.

The School is facilitated with an array of Science labs, interactive Math lab, state-of-the-art iPad Lab, well stocked Library, Creative Art Studio, Dance Studio and Digital classrooms with multimedia tools.

Suguna International School is professionally managed by Chairman Shri V. Lakshminarayanawamy, President Smt. Suguna Lakshminarayanawamy and Managing Director Shri L. Anish Kumar. They are ably supported by the Director, Principal, Headmistress, Nursery In-charge and a highly qualified, dedicated and caring team of teachers. Together, the team takes this institution to greater heights.

***Dear Parents and Students,
Greetings to you all! May the academic year 2023-'24 be a year of
achievements and success for all of us.***

“The highest education is that which does not merely give us information but makes our life in harmony with all existence”

Schools are embodiment of transformation. Within the four walls of a classroom, only transformation of knowledge happens, but life's lessons are learnt beyond its walls and textbooks. Education is something that other people do to you, but learning is something you do for yourself.

On par with academic excellence, we at Suguna International School focus on enriching the life experience of our students, empowering them in achieving breakthroughs in life and live in harmony – which elucidates the motto of our school – LEARNING FOR LIFE.

Education is a field which is synchronous to change. Usage of technology to enhance teaching - learning experience is not new to our institution. This year many classrooms are to have an add-on - Interactive Smart Boards equipped with cutting-edge technology that turns the typical classroom into a fun learning environment aiming at improving the students' ability to learn.

In promoting a child's well-being and supporting powerful learning the school management, teachers, parents and students play a hand in hand role. To facilitate improved communication between school and home, we have initiated a user-friendly Suguna Parental app / portal this year.

We at Suguna International school not only educate the minds of our children but also educate their hearts nurturing our rooted values and cultures not leaving behind the civic sense. We groom them into individuals with self-esteem and people who have concern for others. We celebrate all festivals and observe various days of National and International importance in our school, thus, instilling the value of respecting cultural differences and promoting the spirit of oneness.

Our staff take special interest in each student's development and growth, and it is with confidence and a sense of pride that I can say Suguna International

School will provide our students with necessary skills to become a better person.

The parents are the most strengthening power in shaping the future of the children. Your consistent support empowers us to do more and more. My heartfelt gratitude to you for the faith instilled in us.

We give our students all the inputs needed for effective learning and aspire them to perform their best. The school environment nurtures our children to excel in their endeavours as self-disciplined, interdependent and socially responsible people walking tall in the global community.

I extend my warm wishes to the Director, Principal, Headmistress, Nursery In charge, Staff, Students and Parents of Suguna International School all the very best for this academic year.

Jai Hind!

With best wishes,

Suguna Lakshminarayananaswamy
President

The following is Tagore's English rendering of the anthem :

Thou art the ruler of the minds of all people,
 dispenser of India's destiny.

Thy name rouses the hearts of Punjab, Sind,
 Gujarat and Maratha,
 of the Dravida and Orissa and Bengal;

It echoes in the hills of the Vindhyas and Himalayas,
 mingles in the music of Yamuna and Ganges and is
 chanted by the waves of the Indian Sea.

They pray for Thy blessings and sing thy praise.
 The savings of all people waits in thy hand,
 thou dispenser of India's destiny.

Victory, victory, victory to thee.

The song Jana-gana-mana originally composed in Bengali by Rabindranath Tagore, was adopted in its Hindi version by the Constituent Assembly as the National Anthem of India on January 24, 1950. It was first sung on December 27, 1911 at the Calcutta session of the Indian National Congress. The playing time of the full version of the National Anthem is approximately 52 seconds. The music score was also composed by Tagore.

The song Vande Mataram, was composed in Sanskrit by Bankimchandra Chatterji in the year 1875. It appears in the novel Anand Math. It was a source of inspiration to the people in their struggle for freedom. The first stanza of the song has been given the status of our national song. It has an equal status with Jana-gana-mana. The first political occasion when it was sung was the 1896 session of the Indian National Congress. Rabindranath Tagore sang the song and set the tune.

The English translation of the stanza in prose as rendered by

Sri Aurobindo is :

I bow to thee, Mother,
richly-watered, richly-fruited,
cool with the winds of the south,
dark with the crops of the harvests,

The Mother!

Her nights rejoicing in the glory of the moonlight,
Her lands clothed beautifully with Her trees in flowering bloom,
sweet of laughter, sweet of speech,
The Mother, giver of boons, giver of bliss.
